Abdomen

- Dynamic abdominal computed tomography: "top-down" compared with "bottom-up" imaging (Bach and others) (OA) 354
- Hepatic mass with intra-abdominal hemorrhage (Bach and others) (CRPC) 472
- Magnetic resonance imaging of a giant nonfunctioning retroperitoneal paraganglioma (Romano and others) (CR) 466
- Nonrenal cystic masses in neonates and children (Cramer and others) (OA) 93
- Transrectal drainage of deep pelvic collections under fluoroscopic guidance (Carmody and others) (OA) 429
- Ultrasonographically guided biopsy of small intra-abdominal masses (Downey and Wilson) (OA) 350

Abdomen, acute

- Acute abdomen: plain film utilization and analysis (Flak and Rowley) (RA) 423

Abdominal cystic masses See Cysts

Abdominal neoplasms

- Ultrasonographically guided biopsy of small intra-abdominal masses (Downey and Wilson) (OA) 350

Abdominal pain

- Acute abdomen: plain film utilization and analysis (Flak and Rowley) (RA) 423
- Hepatic mass with intra-abdominal hemorrhage (Bach and others) (CRPC) 472

Abnormalities: See also Musculoskeletal abnormalities

- Antenatal diagnosis of congenital diaphragmatic hernia (Macken and Thompson) (OA) 439
- Antenatal unilateral hydrocephalus (Chari and others) (PA) 57
- Congenital absence of a pedicle in a cervical vertebra: report of two cases (Mantilla-Martin and Miller) (OA) 280
- The trachea: pathologic conditions and trauma (Dennie and Coblenz) (RA) 157

Abscess

- Sonolucent peripancreatic masses: differential diagnosis and related imaging (Levin and others) (PE) 168
- Spinal epidural abscess: unusual CT and microbiologic findings (Browman and Lapointe) (CR) 215

Transrectal drainage of deep pelvic collections under fluoroscopic guidance (Carmody and others) (OA) 429

Absorptiometry, photon

Body composition and bone mineral distribution during growth in females (Gordon and Webber) (OA) 112

Accessibility See Health services accessibility

Accessory spleen See Spleen

Acoustic nerve

Cystic intracranial schwannoma (Wallace and others) (OA) 453

Acoustic nerve schwannoma See Neuroma, acoustic

Acquired immunodeficiency syndrome

- Cavitary aspergillosis as a complication of AIDS (Morrison and others) (OA) 35
- Primary pulmonary hypertension associated with HIV infection (Duchesne and others) (CR) 39

Adenocarcinoma

Case of the month #22. Celiac disease complicated by adenocarcinoma (Marignani and others) (RC) 403, 481

Adenoid cystic carcinoma See Salivary gland neoplasms

Adenoma

Hepatic mass with intra-abdominal hemorrhage (Bach and others) (CRPC) 472

Adolescence

- Computed tomography of the sacroiliac joints in children (Oudjhane and others) (TN) 313
- Doppler ultrasonography in the early postoperative evaluation of renal transplants in children (Blane and others) (OA) 176
- Ossification of the hyoid bone during childhood (Reed) (OA) 273

Age factors

Body composition and bone mineral distribution during growth in females (Gordon and Webber) (OA) 112

Aggressive fibromatosis See Fibroma

AIDS See Acquired immunodeficiency syndrome

Alcohol, ethyl

Ethanol sclerosis of a mediastinal cyst (Malde and others) (CR) 310

American College of Medical Physics

Current Regulatory Issues in Medical Physics. Edited by Melissa C. Martin and James B. Smathers (Aldrich) (BR) 64

Amnesia

Transient global amnesia after cerebral angiography with iohexol (Brady and others) (OA) 450

Anatomy

The trachea: normal anatomic features, imaging and causes of displacement (Dennie and Coblenz) (RA) 81

Androgens

Evolution of bone anomalies in 49,XXXXY syndrome (Tumba and others) (OA) 107

Aneurysm

- Sonolucent peripancreatic masses: differential diagnosis and related imaging (Levin and others) (PE) 168
- Spontaneous perirenal and hepatic hemorrhage in periarteritis nodosa (Senaati and others) (CR) 49

Aneurysm, ruptured

Spontaneous perirenal and hepatic hemorrhage in periarteritis nodosa (Senaati and others) (CR) 49

Angiography: See also Cerebral angiography
